

REMARKS

The Examiner's Request

The Examiner requested:

- A) Any manual for the Applicant's Off-SiteServer product that was publicly available one year before the Applicant's filing date.
- B) Any other Off-SiteServer product documentation that describes data mirroring and was publicly available one year before the Applicant's filing date.

The Applicant's Response

The Applicant had previously responded on December 4, 2006 to the Examiner's request for information. After filing that response, the Applicant has obtained additional documents related to the Examiner's request.

Enclosed in the following Appendix are pages from a business plan of the Applicant. The business plan itself was not publicly available one year before the Applicant's filing date. However, the articles and comments listed in these pages from the business plan may have been publicly available one year before the Applicant's filing date.

Conclusion

The Examiner is encouraged to telephone the undersigned at (503) 222-3613 if it appears that an interview would be helpful in advancing the case.
